

# Citizenship - Year 1 Learning Journey

## Fairness and Justice

What crimes happen in the UK?

What are legal ages in the UK?

What are the dangers of alcohol, smoking and vaping?

What happens in a court?

What are human rights and why we need them?

End

## How can citizens work together to improve their community ?

What are personal and community needs?

What is the role of a citizen?

What is community cohesion?

Start

New Year - What are the positives from previous year and goals for this year?

What are the facilities in school and the surrounding community?

Which people help others in the community?

Citizenship is not an assessed subject in KS3. It helps to provide pupils with the knowledge, skills and understanding to prepare them to play a full and active part in society. By the end of each year student are aiming to know, apply and understand what has been studied.
