

Citizenship - Year 2 Learning Journey

End

What are rules and why are they important?

To know what a consequence is and why the golden rule is important?

To use knowledge of right and wrong and show an understanding of the effects with no rules.

New Year - What are the positives from previous year and goals for this year?

To have an understanding about liberty and freedom.

To have an understanding of some types of media and the things they report on.

To know the meaning of truth and lies and why someone may lie.

To have an understanding about advertising and some of the benefits.

To use knowledge of truth and advertising and create an advert to sell a product

Start

Citizenship is not an assessed subject in KS3. It helps to provide pupils with the knowledge, skills and understanding to prepare them to play a full and active part in society. By the end of each year student are aiming to know, apply and understand what has been studied.
