

Citizenship - Year 3 Learning Journey

To identify rule and laws. To justify the importance of laws in society.

End

To explain the role of the police in our communities.

To know that evidence is needed to convict someone who may have committed a crime.

To know the way some equipment is used within the police to find evidence

To know what a citizen is and how they can be a good citizen at school and in community.

To explore and participate in activities that promote kindness, fairness, and support for one another

To demonstrate an understanding of the word *care*, explore the value of always caring for the school and the things in it.

To engage in activities that encourage listening to one another and demonstrate an understanding of the word *listen*, explore the value "*Listen to one another*"

Start

Citizenship is not an assessed subject in KS3. It helps to provide pupils with the knowledge, skills and understanding to prepare them to play a full and active part in society. By the end of each year student are aiming to know, apply and understand what has been studied.
