

Connexions support

Hello, my name is Diane Simpson, and I am the Careers Adviser linked to Southlands School.

I work for the Connexions Service as part of the Employment and Skills Service within North Tyneside Council.

Connexions advisers provide impartial information for young people and their parents/carers on the range of educational options post 16, and career pathways.

I work with together with students, their parents/carers and school staff from year 9 on to help you and your child find the right option for their next step.

I look forward to meeting you at your child's annual EHCP review from year 9 on and I will meet with your child around the time of their annual review for a 1-1 careers meeting.

I attend parents evening and you are welcome to stop by for an informal chat - no appointment needed.

I also work with students in groups in school as part of school careers activities.

You are welcome to contact me if have any questions about careers advice or post 16 options for the child in your care.
